Portfolio: nurdamotion.vercel.app | Workflow: github.com/intellightkz/ugc-ad-factory

Motion designer and video editor with **3+ years across branding, web and motion**. Former Creative Designer at **Zimran / Pivex**, producing AI-assisted Meta ads and adapting campaigns for **Arabic, Japanese and Chinese markets**. Combines subtitle timing, typography, safe-zone layouts and reusable video templates with product UI and fitness storytelling.

EXPERIENCE

Zimran - Pivex Jun. - Sep. 2026
Creative Designer Astana, KZ

- Localized **Arabic, Japanese and Chinese campaign versions**, adapting subtitles, disclaimers, typography and platform safe-zone layouts.
- Produced **AI-assisted UGC and product-demo ads for Facebook / Meta**, from brief and AI actor casting to generation, editing and captioning.
- Designed reusable **Remotion video templates** and automated QA checks to support consistent captions, layouts and deliverables across creative versions.
- Built **batched hook and format variations** for campaign testing, using Seedance, Veo and ZimFrame in repeatable production workflows.

Qamalladin University Dec. 2024 - Jul. 2025
Graphic Designer Almaty, KZ

- Led a **full rebrand**, modernizing the university's visual identity and merchandise across web, print and social.
- Designed and optimized landing pages to support the university's digital presence.
- Integrated **AI video tools** into content production.

Astana Hub 2023
Graphic Designer Intern Astana, KZ

- Designed event and brand materials for **Kazakhstan's flagship tech hub**, communicating its mission to a startup audience.
- Produced stakeholder presentations and social graphics supporting event and brand communication.

Nobel Fest 2023
Freelance Designer Astana, KZ

- Designed investor presentations and pitch decks for stakeholder communication.
- Built landing pages and social campaigns for event promotion.

HACKATHONS & PRODUCT

Alem.ai Hackathon 2026
Product Manager **Top 10**

- Led a cross-functional team to ship an **LLM-powered startup MVP in 5 days**, owning product direction, scope and team workflow.

HackNU - Higgsfield Growth Track 2026
Product Manager **Top 10**

- Built *Viral Growth Machine*, tracking anomalies and emerging trends to surface a growth playbook for Higgsfield.

Zimran Business Cup 2026
Product Manager **Top 18**

- Built and pitched a **B2C MVP in 4 days**, defending the product live to a panel of founders.

ADDITIONAL

Head of Media - NU Business Club & Freelance 2022 - Present

- Branding, logos, posters and Tilda websites; social campaigns and event identities across clients, including Shanyraq Forum.

Selected Motion Work

- **Hero's Journey** - Russian fitness onboarding promo (44 sec, 9:16), combining gym footage, assessment scores, questionnaire UI and a branded call to action.
- **Coursiv** - English product story for fitness businesses (34 sec, 9:16), with animated chat, integrations and calendar sequences.
- **UGC Ad Factory** - AI creative production workflow with generation clients, video assembly, script-aligned captions, reusable panels and automated media checks.
